STARTER ACTION PLAN

If You or Someone You Care About Needs **JUSTICE** Help

STEP 1: LOCK DOWN THE SITUATION (FIRST 24-48 HOURS)

Goal: **PROTECT** yourself first

Do **NOT** give statements without legal advice

Document:

Timeline of events

Names, dates, locations

Any witnesses

Preserve evidence:

Texts, emails, call logs, photos

Back it up (cloud + second device if possible)

This step matters more than anything.
Memory fades. Evidence disappears.

STEP 2: GET LEGAL DIRECTION **ASAP**

DO NOT HANDLE THIS ALONE

Ask for a criminal defense attorney referral immediately

Start here:

Innocence Project (if wrongful conviction risk)

ACLU (civil rights violations)

Justice Center (free/low-cost legal help)

Arizona Attorneys for Criminal Justice (or your state equivalent)

Tip:

Call/email multiple places—don't wait on one response.

STEP 3: IF YOU'RE FALSLEY ACCUSED

Shift from defense → strategy

Start Here:

National Center for Reason and Justice

False Accusation Support Organization

The Innocent's Guide

Center for Prosecutor Integrity

What to do:

Learn patterns - false accusations
follow trends

Start documenting inconsistencies
immediately

DO NOT contact the accuser directly

STEP 4: BRING IN INVESTIGATION **POWER**

This is where cases change direction

If something feels off or ignored:

Hire / consult:

PHENIX Investigations

Beacon Investigative Solutions

Discreet Services

What they can do:

Find witnesses

Run background checks

Build evidence your lawyer can use

Uncover contradictions

STEP 5: BUILD PRESSURE & SUPPORT

DO NOT STAY ISOLATED

Tell trusted people early.

Start Here:

Colorado Freedom Fund (bond help)

Healing Justice (emotional +
systemic support)

Miracle of Innocence (post-release
support)

Why this matters: Cases move
faster when people are watching.

STEP 6: GO PUBLIC (STRATEGICALLY)

Only when ready — strategic,
NOT emotional.

Start Here:

Advocates for Wrongfully Convicted

Justice Denied

A Just Cause

What to do:

Clean timeline

Key evidence points

Clear message: what happened + what
you need

STEP 7: ESCALATE IF NEEDED

If the system **FAILS**—push harder

DO NOT stop documenting everything

Start Here:

Innocence Network

Exoneration Project

Investigating Innocence

What they do:

Reinvestigate cases

Challenge convictions

Work long-term for exoneration

STEP 8: PROTECT YOUR FUTURE

Stay consistent

Follow legal advice

Keep records updated

DO NOT panic -- think long term.

This is a long game. Stay disciplined.
